

Sertab Erener, Leave

So...
This is the end
Time...
Like grains of sand
Falls...
Into the past
Just like tears down an angel's eyes

Leave...
Like rain on fire
Heavens may cry
Don't look back now
Leave...
Hold your head high
You know men don't cry
You can't look back now

So...
Go see the world
I'll keep my heart
In a shell like a pearl
I'll wait
For someone who deserves
And takes me as I am
