

Sertap Erener, Everyway Than I Can

feel u're moving on a different 'cause
u making a way for a distance cus
u say u love me but u roll ur eyes
turn to stare at the empty sky
i thought it was over and we passed all that
all we've done is to pass back to frame number one
come on now!
i wanna show all my again
let it would be like
just let go and let me love u!
everyway that i can
i'll try to make u love me again
everyway that i can
i'll give u all my love and then
everyway that i can
i'll cry, i'll die
and make u mine ohh again!!
hold me closer how so good
u make me feel just like i should
i now whatcha thinking aha good
now rest of the world is overruled
tell me whatcha see in other girls all around
come on closer and tell me whatcha don't find here
come on now!
i wanna give u everyting you've been missing out
just let go and let me love u!
everyway that i can
i'll try to make u love me again
everyway that i can
i'll give u all my love and then
everyway that i can
i'll cry, i'll die
and make u mine ohh again!!
i'm in love with u
i'll do all u want me to
make me wanna ahaa
make me wanna a-hahah
nothing in the world
could stop me no sir!
nothing in the world
could stop me no sir!
no! no! no! no!
everyway that i can
i'll try to make u love me again
everyway that i can
i'll give u all my love and then
everyway that i can
i'll cry, i'll die
and make u mine ohh again!!
