

Sesame Street, A Gift

Be kind to the river
Be good to the trees
Smile at the sunshine
And bow to the breeze
Say "thanks for the perfume"
Of every flower you sniff
What a world
What a place
What a gift

Respect the deer and buffalo
The lion and tiger too
Be kind to dogs and pussycats
And they'll be kind to you
Take care of the forest

And fish in the sea
Look after the beetle
The ant and the bee
Say "thanks for the raindrops"
And all the clouds that drift
They're for you
They're for me
They're a gift

They're for you
They're for me
They're for everyone
They're a gift
