Alphabet jungle

Alphabet jungle

Alphabet jungle

Let me take you to the

Alphabet jungle

Follow me from A to Z

Little girl: A is swinging like an ape

B gives a big bad roar

C is swimming by a crocodile

Wait, there's a whole lot more!

D takes a dive

E's getting splashed

By an elephant and his trunk

F and G stepped into quicksand

Now they're really sunk!

H is hungry as a hippo

I is swatting flies

J and K are playing jumping jacks

Underneath the jungle skies

L is lounging by the river

M's melting from the heat

The letter N comes out at night

And dances to the jungle beat

O is riding on an ostrich

P leads a parrot parade

Q got crushed by a rhinoceros

And R is running away

The letter S is really scared

Because of what it sees:

A t-t-t-t-tarantula

Is crawling 'cross the T's!

The letter U's unusual

It likes to hang around

V points the way to the waterfall

Where the W's are sliding down

X marks the spot where a treasure chest

Of Y's lies patiently

And right behind that zebra

Is a snoring letter Z
