

Sesame Street, Blueberry Mouth

You pick yourself a berry
And you put it in a bucket
Pick yourself another
Plump and juicy and new
Pick yourself a handful
Too yummy for the bucket
Squoosh 'em in your mouth
Until it all turns blue

You've got blueberry mouth
Yummy blueberry mouth
Juicy blueberry mouth
Nothing so squooshy and sweet

Pick yourself a berry
Save it in a basket
Pick 'em in the sunshine
All golden and hot
Pick yourself a handful
Who cares about that basket
Chew 'em up and swallow 'emmmmm
What have you got

You've got blueberry mouth
Yummy blueberry mouth
Scrumptious blueberry mouth
Nothing so squooshy and sweet

Pick yourself a berry
For your basket or your bucket
Pick yourself a handful
Roll 'em 'round in your hand
Pick yourself a mouthful
Need no basket and no bucket
The pleasure that you've got
Is even sweeter than you'll find

Blueberry mouth
Yummy blueberry mouth
A scrumptious blueberry mouth
Nothing so squooshy and sweet

Blueberry mouth!
