

# Sesame Street, Celery Bunch

We're the celery bunch  
And we love to crunch (crunch!)  
Celery, celery  
Now you don't need a fork  
And you don't need a spoon  
You can munch on it all afternoon  
Celery, celery  
You can dip it in cheese or peanut butter  
Eat it all day, go ask your mother  
"What about celery, what about celery"  
She'll tell you it's good for your digestive system

Fiber is good you know  
And what we love  
Most of all  
Is that it's (crunch!)  
LOUD!  
We're the celery bunch  
And we love to crunch (crunch!)  
Celery, celery!
