

# Sesame Street, I Get A Kick Out Of U

Announcer's voice: Ladies and gentlemen and sardines, Miss Ethel Mermaid!

I get no kick out of A  
B, C and D are just letters to me  
And E makes me endlessly blue  
But I get a kick (she kicks a fish with her tail, as she does in each verse)  
Out of U

I get no fun from an F  
G, H and I merely cause me to sigh  
And J really makes me boo-hoo  
But I get a kick  
Out of U

K, L, M, N  
O, P, Q, R, S  
Are nothing once you've seen them  
'Though T and V don't appeal to me  
I'm nuts for what's between them  
W gives me no thrill

X, Y and Z are not my cup of tea  
They just tell me the alphabet's through  
But I get a kick  
Out of U

All the fish: K, L, M, N  
O, P, Q, R, S  
Are nothing once you've seen them

Solo Fish: 'Though T and V don't appeal to her  
She's nuts for what's between them

Ethel: W gives me no thrill  
X, Y and Z are not my cup of tea  
They just tell me the alphabet's through  
But I get a kick  
A really big kick  
I get a kick  
Out of U
