

Sesame Street, Nobody

crowd cheering

Big Bird: Hi everybody, it's me, Big Bird. Well, I'm back and I've decided to stand right here and keep barking.

Gordon: Ah come on now, Big Bird, hey, Big Bird, cut it out, will ya? There's no such thing as a Snuffleupagus.

Mr. Hooper: That's telling him.

Gordon: He's just an imaginary friend of yours ...

Big Bird: No, Mr. Snuffleupagus is real, and I'm gonna keep barking 'til he comes .. (Big Bird continues to bark.)

Gordon: All right, Big Bird, if you're gonna stand there and bark, then we are just going to find this Snuffleupagus.

Big Bird: Gosh, everybody's gone .. I'm all alone ... Well I'd better keep barking anyway ..

(Snuffy music starts as Big Bird barks.)

Big Bird: Hey Everybody! Look who's coming .. it's Mr. Snuffleupagus! You heard me barking ..

Snuffy: Oh hello, Bird..

Big Bird: You heard me barking..

Snuffy: Yes, oh dear .. look at all those kids .. Hi, kids..

Kids: HI!

Big Bird: Oh, Mr. Snuffleupagus, you'll finally going to get to meet my other friends, I'll go get them..

Snuffy: Well, Bird has gone. I wonder if any of his friends will ever get to see me.

Snuffy sings:

Nobody seems to see me
Though I stand here night and noon
I guess I'll just go back to my house
And make believe I'm the moon

Nobody seems to hear me
When I try to talk and sing
I guess I'll just go back to my house
And make believe I'm Spring

Everybody opens up their heart
To the moon and the Spring
And I know why
Everybody opens up their heart
To familiar things
But strange things make them shy
And afraid sometimes

Nobody seems to want me
Though I wish on stars above
I guess I'll just go back to my house
And make believe I'm love
And make believe I'm love

Everybody opens up their heart
To the moon and the Spring
And I know why

Everybody opens up their heart

To familiar things
But strange things make them shy
And afraid sometimes

Nobody seems to want me
Though I wish on stars above
I guess I'll just go back to my house
And make believe I'm love
And make believe I'm love

(Kids cheer)

Snuffy: Well, I guess Bird couldn't find his friends.. I have to go home to my cave now. I'll see you later!

(Snuffy music fades)

Bob: What is it, Big Bird..

Big Bird: Oh.. he's gone..

Maria: Of course, he's gone, Big Bird, he's only in your imagination..

(Snuffy music fades in, kids scream)

Bob: No, you've pulled that trick on us so many times, Big Bird, we're not going to fall for it anymore!

Big Bird: Oh Bob! Wait! Look look! Look behind you! He's here! Turn around!

Maria: Oh come on, Big Bird, not again..

Big Bird: Maria.. C'mon.. look look..
