

Sesame Street, Paddle My Way To You

If I could only paddle like a doggie oughta paddle
I would paddle my way to you
No river too wide or lake too deep
I'd splash on forward any date to keep
If I could only paddle like a doggie oughta paddle
I could paddle the ocean blue
And nothing out of place a doggie's steady paddle pace
I could paddle my way to
Gotta get through to
Paddle my way to you

Sing it boys!
(background of dogs barking)

If I could only paddle like a doggie oughta paddle
I would paddle my way to you
No river too wide or lake too deep
I go splash forward any date to keep
If I could only paddle like a doggie oughta paddle
I could paddle the ocean blue
Nothing out of place a doggie's steady paddle pace
I'd paddle my way to
Gotta get through to
Paddle my way to you
