

Sesame Street, Rhyme Out

Maria: Rhyme out, rhyme out
We're gonna have a rhyme out, rhyme out
It's a new kind of game
Where you look for a word
That will sound just the same
As the word you tried to
Rhyme out, rhyme out

Big Bird: And we're gonna rhyme
Store, door

Maria: Store, floor

Big Bird: Store, snore

Maria: Store, core ... [come on!]

Big Bird: [Ummm ... store ... ummm ...]

Maria: [Come on!]

Big Bird: [Oh ...]

Maria: [Ha!] I rhymed you out
That's what this game's about
You win every time
You get the last rhyme
To rhyme out, rhyme out
[Gotcha! Ha ha!]

Big Bird: [Yeah.]

Luis: [Hi, what's happening?]

Big Bird: [Hey! Ya wanna have a rhyme out, Luis?]

Luis: [A what?!]

Big Bird: [It's a rhyme out ...]
A rhyme out, rhyme out
Oh yes, I said a rhyme out, rhyme out

Maria: It's a new kind of game
Where you look for a word
That will sound just the same
As the word you tried to
Rhyme out, rhyme out
And we're gonna rhyme
Wing, string

Luis: Wing, ring

Maria: Wing, swing

Luis: Wing, sing (in a loud falsetto on "sing")

Maria: Wing ...
[ummm ... wing ... wing ... wing ... wing ...]

Big Bird: He rhymed you out
That's what the game's about

Maria and Big Bird: You win every time

You get the last rhyme
To rhyme out, rhyme out

Luis: [Yeah, I kinda like this game, it's all right.]

Big Bird: [Hey, let's all three of us have the rhyme out.]

Maria: [Okay, let's rhyme the word "chair", okay?]

Big Bird: Chair, bear

Maria: Chair, hair

Luis: Chair, stair

Big Bird: Chair, éclair!

Maria: Chair, pair

Luis: Chair, dare

Big Bird: Chair, share

Maria: [Chair ... chair ... chair ... chair ...]

Luis: [Come on, Maria! Come on, Maria!]

Big Bird: I rhymed you out
That's what the game's about

Maria and Luis: You beat us this time
'Cause you got the last rhyme
To rhyme out, rhyme out

Maria: Now we're gonna rhyme "shoe";
'Cause the game is through
Rhyme out!
