

Sesame Street, Spaceketeers' Song

(part one)

The Spaceketeers, the Spaceketeers,
Yes, we're here, the Spaceketeers!
We'll take a trip
In our spaceship
And we'll sing this tune
As we fly up to the moon!

The Spaceketeers, the Spaceketeers,
Give three cheers for the Spaceketeers!
Spaceketeers!
Spaceketeers!

(part two)

The Spaceketeers, the Spaceketeers,
We took a trip (a trip!)
In our spaceship (yes we did!)
And we sang this tune,
As we flew up to the moon!

The Spaceketeers (the Spaceketeers!)
The Spaceketeers (that's us!)
Give three cheers for the Spaceketeers!
Spaceketeers!
Spaceketeers!
