

Sesame Street, Still We Like Each Other

I have fur that's blue and fuzzy
You may not have fur that's blue and fuzzy
Still we like each other

I like gooey peanut butter
You may not like gooey peanut butter
Still we like each other
Mmmmmmm

We are friends
You and me
And it doesn't matter what we look like
Or if sometimes we don't agree

'Cause

We are people who are different
People can be very very different
Still they can like each other
Hmmm

You have your looks and likes
And I have mine
Still we like each other fine
