

Sesame Street, The Typewriter Guy

A, airplane: Typewriter sees some airplanes flying by and then soars up into the sky like a plane!

B, ball: Typewriter runs into a giant ball and gets bounced offscreen.

C, cat: Typewriter hears a cat offscreen. When cat enters, it's a giant one and scary to typewriter. S

D, daisy: Typewriter sees (and hears!) daisies growing out of ground. Gigantic daisy grows under h

E, ear: Typewriter is with a giant ear. After typing, "E, ear," he says, "ear" lo

F, fly: Typewriter sees a bird flying, then flaps his arms and flies himself.

G, glue: Typewriter gets stuck in a puddle of glue. After a few tries, he gets himself unstuck, taking

H, hand: Whenever typewriter rolls up a new piece of paper, a giant hand rips it off. Typewriter fina

I, ink: This one I haven't seen for ages! Nothing appears when typewriter types. He's out of ink, so

J, jump: Typewriter sees a frog jumping, then jumps after it like a frog.

K, key: Another one I haven't seen in ages. Typewriter tries to open a door and finds it locked. He u

L, lion: Typewriter hears a lion roaring offscreen and is really scared but types, "I, lion."

M, magic: Typewriter makes (I think) a rabbit appear and vanish. He does the same trick with a sco

N, nose: Typewriter is with a gigantic nose and mouth looking very like one from the ear skit. Nose

O, owl: Not sure here ... I think the typewriter must be having some trouble, because I remember a

P, pencil: Nothing appears when typewriter types. So he writes, "p, pencil" with a pencil

Q, quiet: Unheard laughs won't shut up until typewriter repeatedly yells, "QUIET!"

R, rope: Jump-rope drops from sky. Typewriter jumps with it until he jumps up off the screen!

S, spring: Yet again, nothing appears when typewriter types. A spring pops out of him and keeps sp

T, train: An electric train runs around typewriter, who makes train-whistle sounds.

U, umbrella: It starts to rain, so the typewriter opens an umbrella over himself. When the rain stops

V, vacuum: The typewriter keeps rolling paper up, but a vacuum cleaner keeps sucking up the pap

W, wall: Typewriter rushes in, crashing into an invisible wall. He smashes his way through.

X, x-ray: Something seems to be wrong with one of the typewriter's wheels. He examines it with an

Y, yo-yo: Typewriter is playing with a yo-yo, the end of which gets stuck offscreen. Typewriter tries

Z, zoo: Typewriter comes to a cage and is scared by the roaring of a lion. He hears a bird sound ar
