

Sesame Street, What's It Like To Be In School?

What's it like to be in school?
Is it fun, is it cool?
Are there lots and lots of rules?
What's it like to be in school?
Tell me what is school about
Can I laugh, can I shout?
Is it inside, is it out?

Tell me what's it all about?
What's it like to be in school?
Will there be a teacher who'll
Help me out when I'm new?
What's it like to be in school?
