

# Set Your Goals, We Do It For The Money, Obviously!

Who are you to say what is real and what is fake and who here matters anyway?  
It's nothing that I haven't heard  
We're all sellouts in your eyes, that's no surprise  
Well, we never tried to disguise everything we want to be  
My honest dream

Who cares what you have to say?

Why do you hate what you can't relate to?  
(Well, it's not like it's your (?) to always)  
Exploitation is always having to be heard  
(If we're on the same page, why does it end this way)

Everyday

So what is real, and what is fake and do you matter anyway?  
It's nothing that I haven't heard
