

# Seven Nations, Under The Milky Way

Sometimes when this place gets kind of empty  
sound of the breath fades with the light  
I think about the loveless fascination  
Under the Milky Way tonight

Lower the curtain down in Memphis  
Lower the curtain down all right  
I've got no time, for private consultation  
Under the milky way tonight

(chorus)  
Wish I knew what you were looking for  
Might have known what you would find

And it's something quite peculiar  
something shimmering and white  
That leads you here despite your destination  
under the milky way tonight

(chorus)  
Wish I knew what you were looking for  
Might have known what you would find  
Wish I knew what you were looking for  
Might have known what you would find

Yeah

I know it's something quite peculiar  
Something shimmering and white  
Leads you here, despite your destination,  
Under the milky way tonight

(chorus)  
Wish I knew what you were looking for  
Might have known what you would find  
Wish I knew what you were looking for  
Might have known what you would find

Under the milky way tonight  
Under the milky way tonight  
Under the milky way tonight....
