

Sevendust, Break The Walls Down (from "Wwf Fo

Come on.
You know I got you.
Break the wall down.
Break the wall down.

Come on, come on.

For those about to rock, I know what ya want.
You're the Judas, and I'm your priest.
Baby, what I got, from the least.
Bring it to the stage in the rage, I'm the beast.

Step in the arena and break the wall down.
Step in the arena and break the wall down.

Jericho, Jericho, JERICHO!

I awaken from a deep sleep, you're all weak.
You're living in the agony of defeat.
I the master of your whole heap.
I the pasture, ya flock like sheep.

Step into the town and break the wall down.
Your heart beat is the only sound.
Step into the light and then ya know.
You were stopped and dropped by the walls of Jericho.

Jericho, Jericho, JERICHO!

Jericho on your ass, wait to pass.
Youe got no chance, it time to pass, your ass is grass.

For those about to rock, set the clock.
For those about to jump, I all pumped.
For those about to go, watch me slow.
Break down the walls of Jericho.

Jericho, Jericho, Jericho, JERICHO!

Take that mother fucker down.
Don't help him up, hold up.
Take his ass down again.
Hold up, you got him?
I'm comin' from up top fucka.

Jericho, Jericho.
Sevendust up in this.

Jericho on your ass, wait to pass.
Youe got no chance, it time to pass, your ass is grass.

Jericho!
