Sevendust, Grasp

You look for love Though eyes of strangers Pitiful you go away I think it's time to reconsider In suspense you stay

I think my mind is slippin' Know I'm trippin' feels like I am Losing myself

I wish I held your live from dreaming (soul I wish I had life) I wish I held your live from dreaming (soul I wish I had life)

In your mind
You're my puppet
I hope the strings
Give way in confused
Depths of reality
I wonder if you'll stay
I think my mind is slippin'
Know I'm trippin' feels like I am
Losing myself
I wish I held your live from dreaming
(soul I wish I had life)
I wish I held your live from dreaming
(soul I wish I had life)

I own your dreams In time, you'll see

I think my mind is slippin'
Know I'm trippin' feels like I am
Losing myself
I wish I held your live from
dreaming (soul I wish I had life)
I wish I held your live from dreaming
God damn I wish -- I'm dreaming
