Wreckage - My mind  
Insecure - All the time  
ONCE LOVED - NOW PARALYZED  
I ONCE THOUGHT - I'LL NEVER DIE

Frustrated - OUR SIMPLE LIFE  
No one listens - EVERYONE LIES  
Who said "HOME IS WHERE YOU HIDE"?

Strong as shit and now you see

I'm home - leave it to me  
(leave it to me now that you've seen)  
I'm home - leave it to me  
(leave it to me)

From left to right...  
[repeat]

I tried - my father said,  
I'm scared - she always said  
They grab and pull until I tear

MEANING - Too deep to swim  
When's a good time for the end?  
Who said I was YOUR FRIEND?

I'm home - leave it to me  
(leave it to me now that you've seen)  
I'm home - leave it to me  
(leave it to me)

From left to right...  
[repeat]  
Suffocated - our simple life  
No one listens - everyone dies  
Never a chance - how could you see?

I'm home - leave it to me (leave it to me)  
I'm home - leave it to me (leave it to me now that you've seen)  
I'm home - leave it to me (leave it to me)  
I'm home - leave it to me (what the fuck did you say?)

From left to right...  
[repeat]
