

Sevenglory, Just Me

Everybody wants what they don't have
Just a little bit more wouldn't be so bad
It's a funny little thing
it's kind of sad
I've squandered everything I have

Are you anything like me?
Is it possible all anybody needs
Is a little more love?
And be the hands the feet
Would it make the world believe?
I don't know
Maybe it's just me

I've got plenty things wrong
It's kind of strange
I know what's right but it's hard to change
I'm in the middle of a phase I'm afraid to say
How long can I look the other way?

Chorus
