Seventh Angel, Farewell To Human Cries

Eighty years have passed Weak eyes can hardly see This frail body dies Mortal life expires As my soul is removed Farewell to Human cries

My soul journeys on I know my name is written in The Lamb's book of life I soon will see you My king, my only Lord To dwell in Heaven's peace

My journey complete Unto a better life There is no more pain Free from infirmity Love of the Trinity Reflected happiness

So I find release Jesus Christ King of Kings Is here with me No need for sun or moon God's glory will never cease.
