

# Seventh Angel, Full Of Blackness

Childhood memories, haunting my mind  
A lingering pain left unhealed by time  
A scream, a prayer, a tear  
Grant me an end to fear

BRIDGE; Time is passing by, one more night these tears I cry  
Slipping, falling into darkness, this life is full of blackness

CHORUS; No love left to offer, stripped of hope, alone i suffer  
(The end for me is near, one more night, then no more fear)

This cold empty room full of memories  
It screams of my past giving me no peace  
The hours crawl on again  
I'll sleep tonight in pain

BRIDGE+CHORUS

You came to me once, whispered my name  
Many years ago you took my shame  
I ran from you in tears  
The only one who cares

BRIDGE

CHORUS2; No love left to offer, stripped of hope, alone I suffer  
(The only thing I can do in this night is run to you)
