

# Sevyn Streeter, Shoulda Been There (ft. B.o.B.)

They say you never know what you got 'til it's gone  
You shoulda been there, now she's singing this song

Before this goes wrong, we should take a break  
Cause you feel like you know, you know everything  
Before I go and say some thangs I'm gon' regret to you  
I'mma call up my ladies, and tell them how you drove me crazy

They say the club is going up tonight, we up in there  
Pour another cup tonight, cause we up in there  
If you didn't want em all on me, you shoulda been there  
So why the hell you calling me, you shoulda been there, been there  
So we gonna ball, ball out, gonna ball out,  
My whip clean, my fit new,  
Going up tonight, we up in there  
So nigga don't be calling, calling me  
You shoulda been there

I've been on my own (I've been on my own)  
I know how to play (I know how to play)  
But in this game of thrones, you 'bout to lose your queen  
Cause I've been holding up to try and work this out with you  
You can't respect that  
So I called up my ladies, and told them how you drove me crazy

They say the club is going up tonight, we up in there  
Pour another cup tonight, cause we up in there  
If you didn't want them all on me, you shoulda been there  
So why the hell you calling me, you shoulda been there, been there  
So we gonna ball, ball out, gonna ball out,  
My whip clean, my fit new,  
Going up tonight, we up in there  
So nigga don't be calling, calling me  
You shoulda been there

I put the [?]  
Yeah, it's three in the morning but I still got three in the chamber  
I bring her to life with that "D", call it a defibrillator  
Ha, niggas is funny, they all got jokes [?]  
But we can't see the haters, there's way too much cheese on the table  
Aye, so, so, so what's the likelihood, you looking, mmm lip biting good  
They say you never really know what you got 'til it's gone  
You shoulda been there, now she's singing this song

They say the club is going up tonight, we up in there  
Pour another cup tonight, cause we up in there  
If you didn't want them all on me, you shoulda been there  
So why the hell you calling me, you shoulda been there, been there  
So we gonna ball, ball out, gonna ball out,  
My whip clean, my fit new,  
Going up tonight, we up in there  
So nigga don't be calling, calling me  
You shoulda been there
