

Sex Pistols, New York (Looking For A Kiss)

An imitation from new york
You're made in japan
From cheese and chalk
You're hippy tarts hero
'cos you put on a bad show
You put on a bad show
Oh don't it show

Still oh out on those pills
Oh do you remember

Think it's well playing max's kansas
You're looking bored
And you're acting flash
With nothing in your
Still oh out on those pills
Do the sambo
You four years on
You still look the same
I think about time

You changed your brain
You're just a pile of shit
You're coming to this
Ya poor little faggot
You're sea

Think it's swell playing in japan
When everybody knows japan is a dishpan
You're just a pile of shit
Y

Still oh out on those pills
Cheap thrills anadins
Aspros anything you're condemned
To eternal bullshitt
