

# Sexy Sadie, I Gotta Go

Go! I don't know where we can go but we will  
look for that place where everything is grass and  
trees and thoughts have wings

Go! 'Cause I gotta go

Go! To look for the place where you can run  
f nacked and girls are slaves of men and that's not hell

Go! 'Cause I gotta go

We're not going if you don't

We 're not going without you. ..
