

# Sexy Suicide, EVELYN

Empty room  
Cold bad  
In the mirror I can't see your reflection  
Jesus ...  
Like a lost ...

Last night dream  
Was a beautiful dream  
And .. eternal rest

..  
In the only one ..

You know how It feels  
But you didn't say  
EVELYN you never believe  
Someone who give  
Better way

The Better way

I was on a knees  
Grey sky  
In the middle of..  
No rejection
