Shabazz The Disciple, War Trilogy (Ambush)

(Freestyle)

Ambush, souliah brigade strapped with critically laced grenades Stomp through swamp waters like the everglades Ducking chopper blades

Ready to deploy, fleet ascended to 20 thousand feet No retreat until the mission's complete

(Shabazz)

Yeah! the fleet of burach, in the phoenix formation Civilization wipeout, chemical warfare and radiation 7 guerillas descending out of 9 hueys 63 man militia surround perimiters of the enemy

(Freestyle)

Your prime meridian's bout to see oblivion, due to their karma Ground and air attack, 25 soldiers out in stealth bombers

(Shabazz)
The god's work regime moving in with odorless oximes Toxoid vaccines and atropine Wiping out organisms in 7 million mile radius Attack by stratagem, mortal remains are miscellaneous

(Freestyle)

Hitting the right coordinance, to sink ya battleship Subordinate inadequate conditions, your position's still unfortunate

(Chorus)

Ground attack, air attack, sea attack, we attack, the industry attack! Yo! army of god invade the premises, annihilate the nemesis, Fulfill the prophecies of Genesis!!!

(Shabazz)

Yo! I march through ya barracks, spraying automatics Hold ya pawns hostage, heist all ya carrots Seize ya infantry, eventually they sing like parrots Spies couldn't see their own demise in the tarots Ya 1st platoon's D.O.A. and M.I.A. Soldiers are P.O.W. we move like the CIA We leave no evidence or fingerprints, court adjourned Y'all mortals better join ranks and crown the sovereign!

(Freestyle)

I cover covert operation, classified information Rolling in the form of insects with the gift of regeneration In my oculus, night vision binoculars Peeping it through a periscope Sitting on nuclear bombs with different isotopes This assignment: critical governmental re-alignment Total annihilation, your administration's in confinement Solitary military, end of transmission This tape will self-destruct in 5 seconds!!!
