

# Shades, How Deep Is Your Love

Oh-yea

Oh

Umm

I know your eyes in the morning sun  
I feel you touch me in the pouring rain  
And in the moment that you wonder far from me  
I want you to feel me in my arms again  
And it comes to me on a summer breeze  
Keep me warm in your arms and you're softly

And boy it's me you need to shout  
How deep is your love (3x)  
I really need to know  
Cause we living in a world of fools  
Breaking us down  
When they all should let us be  
We belong to you and me

I believe in you  
You are the door to my very soul  
You are the light in my deepest darkness nights  
You are my savior when I fall  
And you may not think that I'm there for you  
But you know inside I really do

And it's me you need to shout  
How deep is your love (3x)  
I really need to learn  
Cause we are living in a world of fools  
Breaking us down  
When they all should let us be  
We belong to you and me

Da, da, da, da, da, da, da, da, da,  
Da, da, da, da, da, da, da, da, da,  
Da, da, da, da, da, da, da, da, da,  
Da

And it comes to me on a summer breeze  
Keep me warm in your arms and you're softly

And boy it's me you need to shout  
How deep is your love (3x)  
I really need to learn  
Cause we are living in a world of fools  
Breaking us down  
When they all should let us be  
We belong to you and me

Ohh Ohh'

So tell me  
How deep is your love  
So tell me how deep  
How deep is your love  
So tell me how deep  
How deep is your love  
So tell me how deep  
How deep is your love (2x)

I really need to learn  
Cause we are living in a world of fools  
Breaking us down  
When they all should let us be

We belong to you and me
