

# Shadow Warriors, Feel The Fire

(Verse 1)

Across the shadow mountains where dragons fly  
With sound of the thunder across ancient skys  
The ninja warrior ride on for the fight  
He stand alone and raise his great sword to the sky

(Pre-Chorus)

Standing strong together, marching forever on  
Fire in the heavens, now that our time has come

(Chorus)

We feel the fire burning bright in the night  
Where the warrior live and the warrior die  
Wherever you go we will be by your side  
For the spirit of ninja will carry tonight

(Verse 2)

the sky he turn black the night fall appears  
the people of village all run in great fear  
the evil all around the sound they will hear  
will not be for longer the time it is near

(Pre-Chorus)

Standing strong together, marching forever on  
Fire in the heavens, now that our time has come

(Chorus)

We feel the fire burning bright in the night  
Where the warrior live and the warrior die  
Wherever you go we will be by your side  
For the spirit of ninja will carry tonight

(Bridge)

Pray to the evil one, now is your turn to die  
Fire burning dragon, now you run for your lives  
HA-HA-HA-HAAA!

(Pre-Chorus)

Standing strong together, marching forever on  
Fire in the heavens, now that our time has come

(Chorus)

We feel the fire burning bright in the night  
Where the warrior live and the warrior die Wherever you go we will be by your side  
For the spirit of ninja tonight  
We feel the fire burning bright in the night  
Where the warrior live and the warrior die  
Wherever you go we will be by your side  
For the spirit of ninja will carry tonight  
With the ninja  
Forever  
TONIGHT!
