Shadow Warriors, Fight For Be Free (Live)

(Verse1) Coming down from the mountain range yeah! From the battle of ancient ages Fight hard for (Pre-Chorus) When the son of star will arise again and the land is dark and gone And the ring of fire (Chorus) We just want to dream about it We die for believe without it The fire in our hearts, in our so (Verse2) On the wings of eagle shining bright For glory of master through the night In the mountain (Pre-Chorus) When the son of star will arise again and the land is dark and gone And the ring of fire (Chorus) We just want to dream about it We die for believe without it The fire in our hearts, in our so (Pre-Chorus) When the son of star will arise again and the land is dark and gone And the ring of fire (Chorus) We just want to dream about it We die for believe without it The fire in our hearts, in our so (Pre-Chorus) want to dream about it We die for believe without it The fire in our hearts, in our so (Pre-Chorus) want to dream about it We die for believe without it The fire in our hearts, in our so (Pre-Chorus) want to dream about it We die for believe without it The fire in our hearts, in our so (Pre-Chorus) want to dream about it We die for believe without it The fire in our hearts, in our so (Pre-Chorus) want to dream about it We die for believe without it The fire in our hearts, in our so (Pre-Chorus) want to dream about it We die for believe without it The fire in our hearts, in our so (Pre-Chorus) want to dream about it We die for believe without it The fire in our hearts, in our so (Pre-Chorus) want to dream about it We die for believe without it The fire in our hearts, in our so (Pre-Chorus) want to dream about it We die for believe without it The fire in our hearts, in our so (Pre-Chorus) want to dream about it We die for believe without it The fire in our hearts, in our so (Pre-Chorus) want to dream about it We die for believe without it The fire in our hearts, in our so (Pre-Chorus) want to dream about it We die for believe without it The fire in our hearts and the land is dark and gone And the lan
