

Shadows Fall, The Power Of I And I

We are given the gift of creation!
We are given
All of the light
And purity of the universe
We are the ones
Who will create
The snarling beasts of human nature
The world withing myself
ALL IS ONE!
The power of I and I
True piece of mind
Is not bestowed
Upon us by the heavens.
The evils of man
Are spawned within
The confusion of our own mind.
Hiding the purity that flows
From the root of which we rose
ALL IS ONE!
