

# Shadows Fall, The Power Of I And I

We are given the gift of creation!  
We are given  
All of the light  
And purity of the universe  
We are the ones  
Who will create  
The snarling beasts of human nature  
The world withing myself  
ALL IS ONE!  
The power of I and I  
True piece of mind  
Is not bestowed  
Upon us by the heavens.  
The evils of man  
Are spawned within  
The confusion of our own mind.  
Hiding the purity that flows  
From the root of which we rose  
ALL IS ONE!
