## Shadows Fall, The Power Of I And I

We are given the gift of creation! We are given All of the light And purity of the universe We are the ones Who will create The snarling beasts of human nature The world withing myself ALL IS ONE! The power of I and I True piece of mind Is not bestowed Upon us by the heavens. The evils of man Are spawned within The confusion of our own mind. Hiding the purity that flows From the root of which we rose ALL IS ONE!
