

# Shaggy, In The Summertime (Rmx)

(feat. Rayvon)

It's a summertime affair  
Shaggy, ha, Rayvon  
Sun and fun in the atmosphere, oh yes

Rayvon

In the summertime when the weather is fine  
And you could stretch you right up and touch the sky  
Now when the weather is fine  
You got women, you got women on your mind  
I'm gonna driving right and see now what I can find  
Now if her daddy is rich take her out for a meal  
And if her daddy is poor just then do what you feel  
Speeding down the lane even though the speed limit is twenty five  
And when the sun goes down I'll make it with my cutie pie

Weh me say  
Pretty likkle women sexy as can be  
Sweet as a honey sting like bumble bee  
Shaggy say, pretty little women sexy as can be  
Sweet as a honey sting like bumble bee

Verse 1:

It's a summertime affair inna at the atmosphere(ME)  
I man love her attire and the clothes that she wear  
Some of them a burn off them tire, some of them a draw down gear  
While some of them a shine up some a wax up not a sign off smear  
Gotta be rolling in my chrisas that the girls them stare  
This is Shaggy and Rayvon as your ultimate pair  
Taking care of our career so tell the world beware  
Cause it's a brand new selection for your musical ear

Rayvon

And so we say what we want and we say what we need  
And we love everybody, but we do as we please  
And when the weather is fine we go fishing, we go fishing in the sea  
We are always happy to live, life that's our philosophy  
Now if her daddy is rich take her out for a meal  
And if her daddy is poor just then do as you feel  
Speeding down the lane even though the speed limit is twenty five  
And when the sun goes down I'll make it with my cutie pie

Verse2:

Sweat a run off her body with her caramel skin  
I man smiled at her, she looked at me and gave me a grin  
I man offered her a drink and she said juice and gin  
And as I whispered in her ear I asked her how you doing  
Where was it that I reside and I told her Brooklyn  
Atmosphere filled with romance eyes her sparkling  
Just her voice and what she said a let my poor head spin  
Raggamuffin' Shaggy now with a musical swing

I say pretty little women sexy as can be  
Sweet as a honey sting like bumble bee  
Shaggy say, pretty little women sexy as can be  
Sweet as a honey sting like bumble bee

Rayvon
