From my head down to my goolies  
You turn me on with your big babylons

(Hey, Shaggy, I can rap too)

You is better than J-Lo, next to you she is just a minger  
Better than Destiny's Child, well, apart from the lead singer  
You is fitter than the Spice Girls including the Ging'er  
Give it a shave, 'cos me wanna be in yer

They always claimed that our love was wrong, uh  
The people just stared and said it was too long, but  
It ain't crap to have a 12-inch  
Dong, d-dong, dong, dong

From my head down to my goolies  
Woman you turn me on with your big babylons
