

Shaggy, Only Love (ft. Pitbull & Gene Noble)

(Yo it's Pitbull)

Mr. Worldwide

Let's tell the world how powerful love it

(Now we spread love around the world)

Round and round and round we go

Waiting for the wind to blow

As we walk the streets alone

Only love can bring us home

Waving powerless and blind

But tomorrow, we'll be kind

Let love guide us through the rain

Forget our yesterday

Only love, love, love

Brings us together

Only love, love, love

Love, forever

Only love, forever and ever

Only love, love, love

Love, forever

Only love can conquer all and move mountains

When you cold, only love makes you warm again

Only love heals a broken heart, we been through

It all girl, came through the storm again

Find your joy, let go of the past

Love invade your walls like the Trojan horse again

Can't give up, won't give in, find the strength from within

Ask yourself, can you lose my heart again?

I know you're hurting but baby let my love set you free

I'll never let you fall, let's go, girl you can trust in me

Forever in my eyes, you will always be the one for me

I'll always love you until they read out my eulogy

Only love, love, love

Brings us together

Only love, love, love

Love, forever

Only love, forever and ever

Only love, love, love

Love, forever

Love heals all, love kills war

I love the hustle but I love you more

Ride or die that's what love is for

Believe it or not, God loves us all

When I was down and out

You were down with me

Things got deep, you'd drown with me

If there was heat, I know you'd cock back

Click, clap, spit a round with me

Blow a pound with me, hold it down with me

To all them haters, you can come get me

It's us against the world, 150 I love Miami

That's my city, 305

It's all good, all good

Love is love, love is love

Shaggy, Pitbull, dale

It's all on us

Only love, love, love

Brings us together

Only love, love, love
Love, forever
Only love, forever and ever
Only love, love, love
Love, forever

Round and round and round we go
Waiting for the wind to blow
As we walk the streets alone
Only love can bring us home
