

# Shaggy, Strange Love

(feat. Mona)

You see this love that we have is a love that no one will understand unless they're in it, yah know  
So we mash up  
So we mek up  
So we love up

We break up  
We mek up  
Some folks won't think that's fine

But that's when  
You give me  
That love that blows my mind  
That good love you give  
That makes mi scream your name out loud

Let's breakup  
Then mek up  
Tek mi to the clouds

Girl  
Everything I do yah know it's all about you  
Got to trust this feeling cause this feeling is true

Your sex appeal is \_\_\_\_  
I don't wanna see reality if this is what it's like to be in love  
In other words it means that I'm mad happy that we  
Are fortunate to finally discover and s  
That love can feel like a bird  
This ride/vibe is not a vibe that one can describe with words

Friends  
Always try to tell me this feeling I feel  
Is to good to be so this feeling ain't real  
They look at us and swear we must be mad  
They'd have to be in our shoes to understand the love that we have

Love that's unconditional thru struggles and pain  
\_\_\_\_ affections thru the storms and rain

Your love completes my life  
And if I'm ever gonna settle then you'd have to be my

Gal you like when Mr. Lovah rock yah spot  
Hardcore \_\_\_\_  
Excess amount of love you get it non-stop

Come let me love yah up right round deh clock  
So if I put it \_\_\_\_  
Nuff of dem who not got wah we got

Strange love  
Solid like a rock

Girl let me love you up right round deh clock  
Baby make mi scream your name

Make me wanna go insane  
Feelings running thru my veins  
Strange love is the sweetest pain  
Baby make mi wanna scream your name

Make mi wanna go insane

Feelings running thru my veins  
Strange love is the sweetest pain.
