

Shaggy, Strength Of A Woman

[Opening]

Ugh

Wah

Ugh

Ummmmm

Yo

SHAGGY

Ugh

Yo

This one goes out to all my women yah know

My strong women, ugh

[Verse 1]

So amazing how this world was made

I wonder if GOD is a woman

The gift of life astounds me to this day

I give it up for the woman

She's the constant wind that fills my sail

Ohhhhhh that woman

With her smile and her style, my

She'll protect like a child

That's a woman

[Chorus]

She'll put a smile upon yah face

And take you to that (ah) higher place

So don't you under estimate

The strength of a woman

The strength of a woman

[Verse 2]

Woke up this morning

I got up with the scent of a woman

Jus picture if you could what life would be

Ain't much good without a woman

She can nag and be a constant pain

Ohhhh that woman

But those hips she's got me whipped

And it's just too hard to resist

What a woman

Ugh, hey

[Chorus]

Tosses in

Ugh, ugh, ugh

[Verse 3]

Tender lips that's so so sweet

Gentle words she softly speaks

Such an angel when we need

GOD bless the ground beneath her feet

She can take you on a high

Be your comfort when you cry

But if you look into her eyes

You'll see the strength of a woman

Strength of a woman

Ugh, ugh, ugh

[Chorus]

[Fade]

Strength of a woman
