

# Shai Hulud, Anesthesia

Yeah,

Everybody's talking about the girl who went and killed the deliveryman,

But she looks so kind and gentle it just doesn't stand to reason,

I saw her right there just the other night as stately as a slot machine,

When she looked my way something mad as Hell came over me,

Anesthesia,

Mona Lisa,

I've got a little gun here comes oblivion,

I never loved you,

How did you find me,

The cops will never prove complicity,

Now Anna(one, two, three, four, five, six, seven, eight),

All good children go to Heaven,

I remember your face that August night when we lied about the beautiful times to come,

And that crazy old man who came much too late and caused a chain reaction,

I've been hanging out here for eleven long years like a church mouse wondering where the cat has

And looking at you now is driving me to distraction,

Anesthesia,

Mona Lisa,

I've got a little gun here comes oblivion,

I never loved you,

How did you find me,

The cops will never prove complicity,

Now Anna(one, two, three, four, five, six, seven, eight),

All good children go to Heaven,

I never loved you.
