

Shai, If I Ever Fall In Love (Acapella Version)

The very first time
That I saw your brown eyes
You only said "Hello"
And I said "Hi";

I knew right then you were the one
But I was caught up
In physical attraction
But to my satisfaction
Baby you were more than just a face

And if I ever (ever fall) in love again (again)
I will be sure that the lady is a friend
And if I ever (ever fall) in love so true (true)
I will be sure that the lady's just like you

Oh, yeah, the very next time she'll be my friend

If I say that I will be your one and only
(promise, promise) Promise that you'll never leave me lonely
I just wanna be the one you need
Oh baby
I just wanna be the one who serves you
Sometime I feel as if I don't deserve you
I cherish every moment that we share

And if I ever (ever fall) in love again (again)
I will be sure that the lady is a friend
And if I ever (ever fall) in love so true (true)
I will be sure that the lady's just like you

(my friend)
Very next time she will be my friend
Someone who I can believe in
(my friend)
(repeat)

And if I ever (ever fall) in love again (again)
I will be sure that the lady is a friend
And if I ever (ever fall) in love so true (true)
I will be sure that the lady's just like you
