

Shakira, Everywhere

Turn it inside out so I can see
The part of you that's drifting over me
And when I wake you're never there
But when I sleep you're everywhere
You're everywhere
Just tell me how I got this far
Just tell me why you're here and who you are
'Cause every time I look you're never there
And every time I sleep you're always there
(this is by michelle branch not shakira!!)
'Cause you're everywhere to me
And when I close my eyes it's you I see
You're everything I know that makes me believe
I'm not alone
I'm not alone
I recognize the way you make me feel
It's hard to think that you might not be real
I sense it now, the water's getting deep
I try to wash the pain away from me
Away from me
'Cause you're everywhere to me
And when I close my eyes it's you I see
You're everything I know that makes me believe
I'm not alone
I'm not alone
I am not alone
Whoa, oh, oooh, oh
And when I touch your hand
It's then I understand
The beauty that's within
It's now that we begin
You always light my way
I hope there never comes a day
No matter where I go
I always feel you so
'Cause you're everywhere to me
And when I close my eyes it's you I see
You're everything I know that makes me believe
I'm not alone
'Cause you're everywhere to me
And when I catch my breath it's you I breathe
You're everything I know that makes me believe
I'm not alone
You're in everyone I see
So tell me
Do you see me?
