

# Shakira, Everywhere

Turn it inside out so I can see  
The part of you that's drifting over me  
And when I wake you're never there  
But when I sleep you're everywhere  
You're everywhere  
Just tell me how I got this far  
Just tell me why you're here and who you are  
'Cause every time I look you're never there  
And every time I sleep you're always there  
(this is by michelle branch not shakira!!)  
'Cause you're everywhere to me  
And when I close my eyes it's you I see  
You're everything I know that makes me believe  
I'm not alone  
I'm not alone  
I recognize the way you make me feel  
It's hard to think that you might not be real  
I sense it now, the water's getting deep  
I try to wash the pain away from me  
Away from me  
'Cause you're everywhere to me  
And when I close my eyes it's you I see  
You're everything I know that makes me believe  
I'm not alone  
I'm not alone  
I am not alone  
Whoa, oh, ooh, oh  
And when I touch your hand  
It's then I understand  
The beauty that's within  
It's now that we begin  
You always light my way  
I hope there never comes a day  
No matter where I go  
I always feel you so  
'Cause you're everywhere to me  
And when I close my eyes it's you I see  
You're everything I know that makes me believe  
I'm not alone  
'Cause you're everywhere to me  
And when I catch my breath it's you I breathe  
You're everything I know that makes me believe  
I'm not alone  
You're in everyone I see  
So tell me  
Do you see me?
