

Shakira feat. Alejandro Sanz, Inevitable (Unavoidable)

if it is a question to admit
i don't know how to prepare coffee
and i don't understand soccer
i think that one time i was unfaithful
i play bad until parqus?
and i never use a watch
and to be frankly nobody
i think of you as i made myself
although she gives you the same
if it is a question to admit
i never sleep before 10
never take a bath on sundays
the truth is that i also
cry once a month
mainly when it's cold
for me nothing's easy
you should know to know
me well
and without you everything is so boring
the sky is tired of seeing
rain fall
and each day that passes by
seems like yesterday
i don't find something

forgetting because
loving you is inevitable or unavoidable

i always knew it was better
when it's necessary to speak of two
to begin for the same
you'll already know the situation
here everything is worse
but at least i'm breathing
you don't have to say it
you're not going to come back
i know you well
i will already look for what makes me
the sky is tired of seeing
rain fall
and each day that passes by
seems like yesterday
i don't find something
forgetting because
loving you is inevitable or unavoidable
i always knew it was better
when it's necessary to speak of two
to begin for the same
