

# Shakira feat. Alejandro Sanz, Lo Imprescindible

Bleibe baby bleibe baby  
Geh nicht wieder weg  
Bleibe baby bleibe baby  
Geh nicht wieder weg

Una mquina  
De pensar en t  
Eso es lo que soy  
Lo que siempre fu

Sabes que me esta matando esta espera cruel  
La resignaci&ocute;n es un deseo sin piel, y  
Cada da llora algo muy dentro de mi  
No hay forma l&ocute;gica de hacer mi vida sin ti

Y aunque me haga la invencible  
Lo fatal lo imprescindible  
Es que vuelvas a mi, vuelvas a mi, vuelve...  
El dolor es sofocante  
Y ahora todo lo importante  
Es que vuelvas a mi, vuelvas a mi, vuelve...  
No me tortures as

Una mquina  
De vivir sin paz  
Eso es lo que soy  
Desde que no estas

Dices que no tiene caso reaccionar as  
Que has hecho tu elecci&ocute;n  
Que viva y deje vivir  
Pero no quiero romper el lazo que me ata a t  
Ten consideraci&ocute;n y no me dejes sufrir

Y aunque me haga la invencible  
Lo fatal lo imprescindible  
Es que vuelvas a mi, vuelvas a mi, vuelve...  
El dolor es sofocante  
Y ahora todo lo importante  
Es que vuelvas a mi, vuelvas a mi, vuelve...  
No me tortures as

Bleibe baby bleibe baby  
Geh nicht wieder weg

Bleibe baby bleibe baby  
Geh nicht wieder weg

Y aunque me haga la invencible  
Lo fatal lo imprescindible  
Es que vuelvas a mi, vuelvas a mi, vuelve...  
El dolor es sofocante  
Y ahora todo lo importante  
Es que vuelvas a mi, vuelvas a mi, vuelve...  
No me tortures as

THE ESSENTIAL THING

Stay, baby, stay, baby  
Never leave again  
Stay, baby, stay, baby  
Never leave again

A machine

Designed to think of you  
That is what i am  
What i always was

You know this cruel wait is killing me  
Resignation is a desire without skin  
Everyday something cries inside of me  
There's no logical way to build my life without you

And although i make myself appear invincible  
What is fatal, what is essential  
Is that you come back t me, come back to me, come back  
The pain is suffocating  
And what's important now  
Is that you come back to me, come back to me, come back  
Don't torture me like this

A machine  
Of living without peace  
That is what i am  
Since you've been gone

You say there's no sense in reacting like this  
You've made your choice  
That i should live and let live  
But i don't want to break the ties that bind me to you  
Have some consideration and don't leave me suffering

And although i make myself appear invincible  
What is fatal, what is essential  
Is that you come back t me, come back to me, come back  
The pain is suffocating  
And what's important now  
Is that you come back to me, come back to me, come back  
Don't torture me like this

Come back, just come back  
Come back and never leave again

Come back, just come back  
Come back and never leave again

And although i make myself appear invincible  
What is fatal, what is essential  
Is that you come back t me, come back to me, come back  
The pain is suffocating  
And what's important now  
Is that you come back to me, come back to me, come back  
Don't torture me like this
