Shakira, Hey You

I'd like to be The kind of dream you'd never share To be your boss and to be your maid Your shaving cream, your razor blade The buttons of your shirt Your favourite underwear

I'd like to be The only thing on Earth that makes you cry The only thing that makes you happy Soon you will see That no one else but me can take you this high And soon you'll make your last name mine

Hey you Makin' an offer that No one could ever refuse Don't play the adamant Don't be so arrogant Can't you see I've fallen for ya?

Hey you Makin' an offer that No one would dare to refuse Don't play the adamant Don't be so arrogant Let me in Let me be your muse tonight

Tonight... Tonight...

I'd like to be The first white hair upon your head To be your cherry pie Your daily bread I'll cook for free I'll make your bed If I can know the things you've thought and never said

I'd like to be the owner of the zipper on your jeans And that thing that makes you happy I'd like to be the beginning, the end And the inbetween And be your slave And be your Queen

Hey you Makin' an offer that No one could ever refuse Don't play the adamant Don't be so arrogant Can't you see I've fallen for ya?

Hey you Makin' an offer that No one would dare to refuse Don't play the adamant Don't be so arrogant Let me in Let me be your muse tonight

Tonight Tonight

Tonight Tonight... Hey you Makin' an offer that No one could ever refuse Don't play the adamant Don't be so arrogant Can't you see I've fallen for ya? Hey you Makin' an offer that No one would ever refuse Don't play the adamant Don't be so arrogant Let me in Let me be your muse tonight Oooh... Tonight... Tonight Oh, ŏh Oooh... Tonight... Tonight... Oooh... Oh, oh Let me in Let me be your muse Be your muse tonight
