

Sham 69, Kids Are United

For once in my life I've got something to say
I wanna say it now
for now is today
A love has been given
so why not enjoy
So let's all grab
and let's all enjoy

If the kids
are united
then we'll never
be divided
(x2)

Just take a look around you
What do you see
Kids with feelings
like you and me
Understand him,
he'll understand you
For you are him,
and he is you

If the kids
are united
then we'll never
be divided
(X4)

I don't want to be rejected
I don't want to be denied
Then its not my misfortune
That I've opened up your eyes

Freedom is given
Speak how you feel
I have no freedom
How do you feel
They can lie to my face
But not to my heart
If we all stand together
It will just be the start
