

Shane Barnard, Recieved

you can only go so far, until the bottom falls out
all my singing, smiling, pleasure finds me, i'm all right
pretty melody, dedicated to God
to be called by one Almighty God and take it for granted
heard a rumor i guess, but i wanna know who told me so
told me serving You replaced me knowing You!

can i be received?
unclean oh Lord am i
find me in my shame
You are all I need
please don't pass me by
i call upon Your name

You whispered to Your child today
but I haven't got a minute to listen
Your child is busy with the work of God and taking Him for granted
got a lot to do today, kingdom work's the game i play
Lord my serving You replaced me knowing You

can i be received?
unclean oh Lord am i
find me in my shame
You are all I need
please don't pass me by
i call upon Your name
