

Shane Barnard, Waiting Room

i will run when i cannot walk
i will sing when there is no song
i will pray when there is no prayer
i will listen when i cannot hear

sitting in the waiting room of silence
waiting for that still soft voice i know
offering my words up to the rooftop to Your heart
trusting that this closet's where You are

Lord i know if i change my mind
You will change my heart in time
Sovereign Lord this time's from You
so i sit in the waiting room of silence
cause its all about You

i will fight when i cannot feel
i will trust when You dont seem real
i will tell when i cannot speak
i will step when i cannot see
