

# Shane Barnard, Waiting Room

i will run when i cannot walk  
i will sing when there is no song  
i will pray when there is no prayer  
i will listen when i cannot hear

sitting in the waiting room of silence  
waiting for that still soft voice i know  
offering my words up to the rooftop to Your heart  
trusting that this closet's where You are

Lord i know if i change my mind  
You will change my heart in time  
Sovereign Lord this time's from You  
so i sit in the waiting room of silence  
cause its all about You

i will fight when i cannot feel  
i will trust when You dont seem real  
i will tell when i cannot speak  
i will step when i cannot see
