

# Shania Twain, Don't Gimme That, Once Over

How can you tell me it wasn't for real  
Step into my shoes and see how it really feels  
I know, I know why you do it  
Still I can't stand you putting me through it

Don't gimme that  
Once over  
Don't gimme that  
Once over  
That's just on step over the line

Once upon a time I let you near  
There was no reason that I had to fear  
I know, I know it's easy for you to leave  
But this it's better for me to give than receive

## CHORUS

You made the place and time  
How did you fake that crime

## SOLO

Once in awhile I'll think of you  
Maybe somethin' old or somethin' brand new  
I know, I know I know where you'll be  
Somewhere in the night lookin' for me

You can seek but you'll never find  
'Cause you can't go back in time

CHORUS(repeat and fade)
